A Pediatrician today is actively involved in the diagnosis, investigations, referral and follow-up management of almost all medical conditions based on their clinical experience and evidenced based practice. But as a clinician we often faced a situation where we need to find a solution to a problem based on recent evidences and guidelines in our day to day practice. So at EMBICON 2018 we are looking for focused problem based teaching - a novel Q/A based Conference where all of us get to answer an MCQ on a very common clinical situation, followed by detailed explanation by the expert.

Research study can be based on General Pediatrics and/or with any subspeciality, e.g. cases of Neurology, Nephrology, Hematology, Endocrinology, etc. The papers not taken for `Oral’ presentation will be taken for `Poster’ presentation.

Therefore, dear Colleagues, make the best of this once-in-a-lifetime opportunity to share your academic experiences on the Conferential platform.

Abstracts are invited from Practising Pediatrician and students pursuing Postgraduation/Fellowships, in the prescribed format, before 31st JULY 2018. Email to - embicon2018@gmail.com

The authors need to send only the abstracts initially. **First author will be the presenting author.** The papers will be considered for awards in the following categories:

1) Practicing Pediatrician
2) Postgraduate students
The presenting author must register for the conference.

Page 1 (Title page of the abstract) should include:

- Full name of the presenting author
- Age of the presenting author
- Conference Registration No. of presenting author
- Department and Institution with address / Clinic address
- Designation
- E mail address
- Mobile No. and Other Contact No.
- Title of the paper
- Author List (Give full names of all authors)
- Abstract Word Count

Main abstract (Page 2):

- The abstract should be based on the theme of the conference “*24* questions that trouble a General Pediatrician *24x7***”.
- Word limit: The main body of the abstract should not exceed 250 words. It should be typed with single line spacing in Times New Roman (font size 12) in word format. Abstract should not include tables/graphs/images.
- The abstract should be structured as far as possible in the following manner (Except Case Reports):
  
  (a) Introduction
  (b) Aims & Objectives
  (c) Material & Methods (including statistical methods where relevant)
  (d) Results
  (e) Conclusions.
- Mode of submission: e-mail the abstract to embicon2018@gmail.com as an attached word document. No other forms of submission like hard copies, fax etc. shall be accepted.
• The last date for submission of the abstracts is 5 pm on 31\textsuperscript{ST} JULY 2018. This deadline will be strictly observed.
• The abstracts will be accepted as oral papers/poster paper depending on its merits.
• Case reports will be accepted as Posters only.
• The Expert Committee will review the abstracts and decide the mode of presentation- poster or oral. The decision of the committee will be final in deciding the mode of presentation. Notification of acceptance of abstract submitted will be sent by email only to the presenting author on the e-mail as given by the authors.
• Presentations: All presentations must be in English. Detailed instructions for poster/paper presenters will be sent after the selection process is complete.
